

Dear Parents and Community Members,

Thank you for adjusting and being patient during our modified dismissal. We will continue to keep that procedure in place during rainy days. We will always inform parents via ParentLink if there is an adjustment to our dismissal procedure. This week we will have our first practice lock down. This will occur on Friday. We will talk with our students and explain the process and why we do such practices to keep them safe. If you ever have any questions regarding our safety drills, please contact me.
