DISCUSSION NOTES	<p>September 22 – Peter Piper Pizza October 28 – Fall Festival</p> <p>At September’s meeting, please bring ideas, activities, and suggestions of how to make the Fall Festival in October even better. Right now, we have a family at Bonillas who can bring carnival games, arcade games, bottle toss, etc. to help support the Fall Festival. We need ideas and suggestions.</p> <p>One possible idea is to get high school volunteers to do face painting. Ms. Boring is going to talk to Ms. Carillo (?) at Bonillas. Ms. Carillo is on the PTC in Rincon and could us at Fall Festival.</p> <p>Another idea is the dunking machine. Mr. Schiavone will check with Risk Management first.</p> <p>We will have PTC Movie Nights in the future. We are planning one in November, January, and then March. We are doing a theme night like Luca and Spaghetti night.</p> <p>Skate Country Events also in the works.</p> <p>Bonillas PTC works really hard supporting our school as unsung heroes that people don’t know about. They are hugely appreciated and can provide immediate help with purchasing items without having to go thru strict PO procedures.</p>
RESOLUTION	

ITEM TITLE	Next PTC Meeting, September 20 at 5:30 p.m.
DISCUSSION NOTES	<p>Next PTC meeting will be in the library or via zoom.</p> <p>PTC meets once a month typically after Site Council. Site Council starts at 5 p.m. in the library or via zoom.</p> <p>Site Council is a different committee at Bonillas where decisions are made about how to best use tax credit dollars. Typically, Site Council helps pays for field trips, buses for field trips cost \$150, and pay for other things like admissions and sporting events. We need help from parents to get the word out about making tax donations to Bonillas. For example, if you donate \$200 to the school this year, you will receive \$200 in credit on your taxes the following year.</p> <p>Eventually, tax credits run out. This year our goal is to raise more awareness and donations. Bonillas has really strived to provide school supplies including backpacks to our students and limit the financial burden on families who struggle with providing school supplies.</p>
