REPORTS TO REVIEW	Principal's Report
DISCUSSION	Congratulations on becoming an "A" school. Mr. Schiavone reviewed the criteria for how we attained the A grade. We

	recognize that we gained that grade because we truly improved our proficiency levels in addition to our bonus points. Reviewed the plans for utilizing the funds that we are receiving from the School Improvement Bond that passed. Most schools are receiving similar upgrades to campuses. Some notable areas of improvement will be an ADA ramp by Room 8, as well as new Chromebooks and iPad's.
