

Dear Bonillas Families and Community Members,

Our semester has finally come to an end. While 2020 was not the year we expected, it certainly should how well our students, parents and staff members persevere. Thank you to all members of our community for your constant commitment and dedication to the Bonillas Community. We wish you all a very happy and safe holiday season.

As we move into the new year, it is time to start thinking about registering for next year. Open registration will be beginning late January. We will provide several open houses for parents to come and register their students. This is something that can also be done online at home. If you need assistance, please reach out to your dedicated front office staff for support.

Finally, we will return to remote learning on Monday, January 4th. The TUSD Governing Board has yet to deem it safe to return to in campus learning based off of the Pima County Health Department recommendations. Once we have received a return date, all parents and families will be informed.

Thank you for a wonderful 2020!

Principal

Tax Credit:

Don't forget to make your tax credit contribution to Bonillas! We need it more now than ever. Tax credit is a subtraction from any taxes you may owe to the state. For example, if you owe the state \$500 and you contribute \$200 to Bonillas tax credit, your state liability will be \$300. If you don't owe and get a refund, your refund amount will be increased by the amount you donate to tax credit. It is a WIN, WIN! Tax credit dollars fund academic programs, sports, fine arts, field trips, tutoring, and for a short time capital school improvement. We are very thankful and appreciative of your tax credit support. If you have any questions, please contact our front office at 232-6600.

You can also make your tax credit donation online!
