

Dear Bonillas Families and Community Members,

Thank you to all families and students for an amazing first quarter. Your dedication to education is evident and much appreciated by the staff here. I was extremely excited to see so many families join us for the movie night. It was the first time in almost two years we were able to do a family engagement event at our school. I look forward to having more events soon. Please check out the dates to the right for upcoming events and meetings.

Next, our Community Family Engagement Coordinator is collecting canned and dry goods for donation to families in need during the Thanksgiving season. If you can, please send your students with some items that can be turned into the teacher. The winning class receives donuts! If you need clothing, food, or hygiene products, please reach out to our new community liaison, Maria Ruiz.

Reminders and new information:

- **Masks:** All parents, staff and students must have masks on while on school grounds.
- **Homework:** Please make sure your students complete their homework each night. If they are having difficulty sitting, break up the amount of time and give them small breaks.
- **Holiday Photos:** On Tuesday, Nov. 16th Hot Shots Photography will be here to take holiday photos of students and their siblings. Stay tuned as more information will be sent home with students later this week.
- **Parking:** I can't stress enough the importance of driving **slowly** in and around the campus.
- **On time:** Please make sure students arrive on time each day. The campus opens at 8:00am and students are welcomed to enjoy breakfast prior to class.
- **Parent Survey:** Please help us learn more about how we can better serve you! Please complete the following survey. We are excited to see your input. You can also scan the QR code and complete the survey on your smart phone.
