DISCUSSION NOTES	<p>Mr. Green – Yearbook Would like Bonillas to reconsider if we are going to have a yearbook or not because it is going to be challenging.</p> <p>Schiavone is the final decision maker if we will move forward with the photograph scheduling. Schiavone still needs to email/send form to "Oscar" because he wants to check what other schools are doing and if other principals are doing a yearbook. There will be no group shots. He is considering the impact that 5th grade may leave without a yearbook. There will most likely not be a promotion ceremony for 5th either. If there is scaled down yearbook option, he will most likely pursue that option. There are 65 - 5th Graders at Bonillas.</p> <p>Wingfield – consider taking pictures or photographs in zoom and using them as part of the yearbook instead of the photoshoot.</p> <p>Boring – perhaps parents can send in photographs as part of the yearbook. As a parent, doing it for the fifth graders and asking parents to send in photographs. Perhaps parents can send 4 pictures throughout the year and have 1 page dedicated to each student. Parents can write a blurb like the most memorable thing that happened this year.</p> <p>May (Sainz) – Teachers are taking pictures in zoom and perhaps teachers can create a yearbook page for their class instead of photoshoot.</p>

IV. Reports

REPORTS TO REVIEW	Principal Report
DISCUSSION	<p>365 students are currently enrolled. Would like to open next year at 380 students.</p> <p>Right now, tentative M&O with 15 teaching positions, 16th position will be filled in by Language Acquisition. Will purchase another position out of magnet budget. That magnet position would go to the third-grade program. There are 48 kids in 4th grade class right now so next year in fifth grade there is only 2 teachers assigned. All other grades will have 3 teachers assigned.</p> <p>We are finishing budget and waiting for final number. TUSD is skimming off M&O and Title I across the district to make up for the deficit.</p> <p>This year one teacher is retiring, and one teacher is moving to Colorado. Both teachers are currently in intermediate grade levels.</p>

This info will be in the February Newsletter, will be sent in Parent Link, and posted on FaceBook.</p> <p>Whenever the student sells cards, Sarah will get spreadsheet and how many cards they sold. For three Wednesdays in February afterschool, Sarah will be there to hand out the cards or for others to buy cards directly from her. If that Wednesday does not work, they can make an appointment and come to the office at a different time.</p> <p>Peter Piper and Dairy Queen is what parents are asking for.</p> <p>Rewards/Prizes: If student sells 15 cards, students will have a bag prize. Due to COVID, Schiavone/Sarah will pull prize from bag and contact/send item to student. Class that sells 40 or more cards will win a movie party when school can return safely. RESOLUTION	

ITEM TITLE	Holiday Day Gift Update
DISCUSSION NOTES	<p>Staff was supposed to receive personalized tumblers from PTC for Christmas.</p> <p>Tumblers arrived in December but were poorly made/completed. So, tumblers were not distributed to staff. Sarah spoke to company and the company agreed to redo them as well as refund back ½ of \$475.</p> <p>Sarah returned cups after return from winter break. Sarah asked company to take their time this time around since company rushed through order in December which resulted in a poor-quality product. Should be done in a few more weeks. This is a better time frame for time needed to complete the order.</p>
