REPORTS TO REVIEW	Principal Report, Principal Frankie Schiavone
DISCUSSION	New turf was installed over Fall Break. Students are enjoying space for reading buddies and study area. This Friday will have student assembly for quarterly awards. Kids can now sit down. This Thursday we are updating all the furniture and chairs in classrooms. Picnic tables will be in the courtyard by Friday so students can eat 1 day out of the week outside in the courtyard. No eating in the cafeteria at least 1 day a week.

	<p>Towards the end of November we will have addition card access points installed. Currently there are 4 points of entry into the building. Two additional points of entry will be helpful. Staff will still need to present their card and type their code for entry.</p> <p>Both playgrounds are going to have shade structures and will be closed for 1 week around mid to late November. We are installing huge canopies for students to enjoy.</p> <p>Next year with additional money will probably do a shade structure in the main courtyard and over the intermediate basketball area.</p> <p>We are in the midst of purchasing cafeteria tables so they are convertible, benches folds down, and turns into benches. We hope to have these in by December.</p> <p>Title I had a walk through with district at Bonillas. Certain data points we have to meet. They were so impressed with learning and teaching. Areas of improvement was about ideas we knew as a staff and will continue to work on. Huge improvement since last year from my first year to this year.</p> <p>We are not getting ready for end of fall holidays and starting winter holidays.</p>
