DISCUSSION NOTES	<p>December 16, 5-7 p.m.</p> <p>Flyers and advertisements have already been dropped off.</p>
RESOLUTION	

ITEM TITLE	Movie Night
DISCUSSION NOTES	<p>Earned \$710.05 in food sales Total cost is \$446.56 in expenses Overall profit \$263.49</p> <p>Profit was a little lower than prior movie nights. Cost of sodas have increased dramatically. Movie night is more of building community than a high profit fundraiser.</p> <p>We used the last of the Costco food cards.</p>
RESOLUTION	

ITEM TITLE	Upcoming Events
DISCUSSION NOTES	<p>Other events PTC is generally involved include Literacy Night in December and Science Night in Spring. Will PTC have a concession stand during that night. Those nights and amount of people on campus and abide by the occupancy rate ex. library is 44 people. We have to operate at 50% of that due to COVID. Will ask at next principal meeting what we can do. ELA and Science night is indoors. Beginning of the year, we wanted to do Spring Carnival or an end of the year celebration. We are going to keep these ideas on the agenda for January. Spring Fling is still in the works.</p> <p>April 19 is another Bonillas Open House and if PTC is interested in having a table for prospective students / parents, it might help.</p>
