REPORTS TO REVIEW	Principal Report
DISCUSSION	<p>It is Mr. Schiavone's 3rd year as principal. If look at our minutes last year, in spring masks were mostly likely optional and decision lies with each school district. TUSD voted to have masks be mandatory for everyone on campus. There will be changes at the end of September for Governor Ducey. Districts that are a fraction of our size have more cases because of a no mask mandate. Bonillas is abiding by district mandate.</p> <p>We are looking forward to building a strong PTC. We have monthly meetings every month and send out parent links. Our meetings are normally at 5:30 p.m. Today's meeting is an exception. PTC supports in ways Bonillas budget cannot such as the monitor in the library. With this library, we can now support our library, librarian, lessons in the library, and supporting students in other ways.</p> <p>Enrollment is up this year. We are almost at 400. Each year we are increasing enrollment. This year we gained another full-time teacher. Last year Bonillas was the only elementary that increased enrollment. Last year, we wanted to ensure students had a place to work and opened the school. This year we have new teachers and several staff members for various reasons. Everyone is eager and excited to be here.</p> <p>A huge thank you to parents for Open House night. It was one of the best feelings to be with you and thank you meeting with me and seeing you after such a long time.</p>
CONCLUSIONS	
REPORTS TO REVIEW	Finance Report
DISCUSSION	<p>It is my third year as PTC president. When I initially started with no money but had a lot of ambition and excitement.</p> <p>Over the last few years we have supported Bonillas in various ways like: purchasing an inflatable movie screen, masks for the teachers, or jerseys for the basketball team. The money PTC raises comes from fundraisers over the course of the year.</p> <p>Over the summer, we purchased the TV in library for \$740. Leaves current total in account \$5022.08</p>
CONCLUSIONS	
REPORTS TO REVIEW	Student Council Report
DISCUSSION	<p>Typically, the Student Council President will report to let parents know what the council is doing. Right now, that report will come from Mr. Schiavone until Student Council elections are over. Mrs. Brittany Brooks is leading Student Council. We are in midst of doing student council elections.</p> <p>One change to Student Council is prior to Mr. Schiavone student representatives were only from grades 3-5. Now, student representations will from K-3 with council leaders being elected from 4-5.</p> <p>We will update PTC at our next meeting with our student president.</p>
CONCLUSIONS	

- Action Items

ITEM TITLE	Open Treasurer Position
DISCUSSION NOTES	<p>Treasurer will go on to PTC bank account with Sarah and manage funds. Need someone very trustworthy and responsible. Will need to attend meeting at most events and be responsible for relaying finance report to the PTC.</p> <p>Get ahold of Ms. Boring or Schiavone if interested.</p> <p>Anyone interested now?</p> <p>Only preface - it cannot be a TUSD employee. We will continue recruiting.</p> <p>Volunteer – Claudia Caire who has accounting background.</p>
RESOLUTION	
<p>Sarah Boring – motioned to accept Claudia Caire for treasurer. Schiavone – seconded motion. All those in favor – all present. Opposed – NONE. Motion passed for Claudia Caire to be accepted as treasurer.</p>	

- Discussion/information items

ITEM TITLE	School Spirit Store
DISCUSSION NOTES	<p>The Spirit Store order had several personalized items from Bonillas for purchase like masks, backpacks, shirts It closed Sunday.</p> <p>This Spirit order was our most successful one yet. There were 44 total orders. Our profit from the Spirit Store was \$217.38.</p> <p>There will be another Spirt Store fundraiser in December, January, or February.</p>
RESOLUTION	

ITEM TITLE	Peter Piper Pizza Night Fundraiser
DISCUSSION NOTES	<p>This fundraiser is Thursday from 5 – 7 at the Park Mall location. There will be awesome pizza, play games, dance contests, decorations in purple and white, Peter Piper Pizza prizes as well prizes given out by Principal Schiavone like free homework passes. The class that has the most students attend will earn that class an Egee’s party. Attendees should bring the flyers, Bonillas will then get 15% of the profits.</p> <p>At the last Peter Piper Pizza fundraiser, we made almost made \$600 dollars and earned 15% of the profit for those two hours.</p>
RESOLUTION	

ITEM TITLE	Cookie Dough Fundraiser
DISCUSSION NOTES	<p>Packet was sent home Monday. Fundraiser ends on September 8 when the order forms, money, and packet are due. Typically, we get a couple grand. Last year was a little over \$2000.</p> <p>You will get deliveries October 4.</p> <p>At our next meeting will have list of future events for the year.</p>
RESOLUTION	

ITEM TITLE	Next PTC Meeting
DISCUSSION NOTES	<p>With movie night, in order to show a movie on large scale we have to have a license to show the movie. Principal Schiavone is still looking in the laws and regulations. He will come to the next</p>

meeting with more information. License laws are very tricky and he will also need to check with the governing board for approval. Right now, we would like to buy a 2 year subscription is \$200. If we buy this license, PTC can make up that money based on the first movie night sale. This movie night might use the blow-up screen in the courtyard or other large open space. We anticipate having prepackaged food and other items for sale. We would like to build a team of parent volunteers to help with it.

Principal Schiavone would like to discuss planting 2 trees on our grounds dedicated to our PTC. One tree will be outside the primary hallway and one near the office parking lot. We hope to bring information about purchasing mature trees at the next meeting.

Several audience members brought up the following points:

- TEP does give free eco-friendly trees to the public. Their size ranges but can be baby to medium size trees.
- Planting baby trees on the grounds would be beneficial for students who must learn how to be the caretakers.
- Teachers can create some lessons around the trees including our pillars (citizenship – why were these trees planted for PTC, caring – how humans care for our ecosystem, responsibility – rotation of classes or students care and pick up trash on grounds, etc.)
- Audience member provided contact info for Justin Lillie who runs Botanical Garden who might also help with lessons or with finding trees to plant.

An audience member asked if there was a class tag or information for parents at grade levels or at a class level for parents to help set up play dates, meet in the park / get to know your neighbor. Mr. Schiavone will look more into this.

Our next meeting is September 21 at 5:30 p.m.

RESOLUTION

- Submission of items for next agenda.
- The meeting was adjourned at 5:44 p.m. by Sarah Boring.
